

Bottisham Community Primary School

Consultation on admission arrangements for the 2023-24 school year

Anglian Learning, as the admission authority for Bottisham Community Primary School is consulting on proposed changes for all its schools for the September 2023 school year.

Schools are required by section 1:45 of the School Admission Code 2021 (the Code) to undertake consultation every 7-year period even where no changes are required. Several Anglian Learning schools have reached this milestone, and the Trust has decided to harmonise arrangements and complete this activity for all our schools this autumn. In addition, the Code requires other certain changes to be made which are incorporated in our proposals. Consequently, all areas of the admission arrangements have been reviewed and, where necessary, changed.

The consultation process allows any concerns, or comments, about these changes to be raised. Your views are sought on these proposals.

The consultation period is taking place for 6 weeks starting on 22 November 2021 and closing on 21 January 2022.

At the end of the consultation period, decisions will be made based on the responses and the arrangements will be 'determined' by Trustees as required by section 1:49 of the School Admission Code 2021.

The admission arrangements will be determined by 28 February 2022 and published by 15 March 2022, for the September 2023 school intake.

The proposed 2023-24 Admissions Policy is shown below and is available on the school website at www.bottisham.cambs.sch.uk

This consultation seeks your views and comments which can be submitted by email to admissionsconsultation@anglianlearning.org or in writing to the school office, or direct to Anglian Learning, Bottisham Village College, Lode Rd, Cambridge, CB25 9DL.
